GOLDEN TEE
CLASSIC

NORTHWOOD CLUB
DALLAS, TEXAS

SEPTEMBER 16 - 19
2020

On behalf of our tournament committee and the Northwood Club Staff, we welcome you to the 2020 Golden Tee! After a long wait to renew this annual tradition we have been working diligently over the past few months to make this a fabulous week and a memorable experience for everyone.

We are continuing the tradition of our format by playing 18 holes of Shamble on Thursday, 18 holes of Best Ball on Friday, and 9 holes of Quota on Saturday. The score of your team will be reflective of the number of strokes you are under or over relative to par for the first two days. During Saturday's final round, both balls will be scored, and you will receive points based on your gross score. After both flights play 9 holes on Saturday, our Tournament Finale will begin. The 5 non-flight-winning teams with the highest overall tournament point total will qualify for the Play-In. We will advance two teams from this pre-shootout to join our eight flight winners for a second shootout which will determine the overall Golden Tee Champions!

We hope that you will enjoy your week with us at the Golden Tee, and it is our privilege to host you.

2020 Golden Tee Committee

SCORING & HANDICAPS

The Golden Tee tournament is scored using a Point Quota System. Each player's Base Tournament Handicap Index will be determined using their individual handicap index in relation to Northwood's II/III Tee slope rating (133). A maximum tournament handicap of 21 is permitted for any player. The Golden Tee Committee reserves the right to make further adjustments to any player's Base Tournament Handicap at its sole discretion. Adjustments will be announced prior to the start of the tournament. All committee decisions are final.

SUMMARY OF RULES

USGA Rules govern play, except where local rules apply. (as stated on the back of the regular scorecard)

1. No Club Limit
2. Abnormal Course Conditions: Defined by white lines.
3. Embedded ball relief in effect through all general areas.
4. "Gimmies" may be taken as marked around the hole, however the ball **MUST** lie within or touch the circle.
5. Measuring devices may be used for *distance measurement only*.
6. All Players are permitted to listen to music.

TEES

All players will play the Golden Tee Markers (approximately 6500 yards)

PACE OF PLAY

Pace of play is measured in two ways: clock and positioning. The Committee has established the timed pace of play to be 4 hours and 20 minutes. Further, groups must keep pace with the group in front of them. Any groups determined to be out of position – either by clock or course position – will be required to “pick up,” record a bogey for the hole and advance to the proper position. This rule applies to the entire foursome that is out of position. Rulings of the course marshals will be final. Keep your pace!

TIES

In the event of a tie for the overall Flight winner, the ties will be broken by the team with the BEST QUOTA SCORE on the 9-hole round played on Saturday. If the teams are still tied, a sudden death scorecard playoff will be used to determine the flight winner, beginning on hole 9 or hole 18, depending on which side the team played, and proceeding backward from there until the tie is broken. The HIGHEST team points per hole will determine the winner. The same method will also be used in case of ties among the non-flight winning teams to determine participants for the Play-In, if need be.

MULLIGANS

All teams will include a Mulligan Package of \$150 unless they tell the Starter on Thursday they decline the Mulligan Package. Teams purchasing the package are limited to ONE mulligan per day, per player. Once taken, the mulligan must be played. ALL MULLIGANS MUST BE USED ON THE GREEN ONLY.

TOURNAMENT FORMATS

THURSDAY

Net Best Ball Shamble 70% of each player's Base Tournament Handicap will be applied. Both team players hit their drive on each hole. Upon review of both drives, the team will select the best of the two drives, and both players will play their own ball into the hole from that location. When placing the second player's golf ball at the location of the best drive, it must be placed within one grip's length of the selected location, in a like lie.

FRIDAY

Net Best Ball of the Team. 90% of each player's Base Tournament Handicap will be applied.

Each player will play their own ball in to the hole. The team will record the lowest net player's score on each hole as the Team score for that hole. The number of net strokes that each team is under par will be positive (+) points earned. If the team's net score is over par, then the points earned will be negative (-).

SATURDAY

Gross Quota format. Each team will be assigned a quota of points to attain, per the Team Quota Formula. The total points awarded for Eagles, Birdies, Pars and Bogeys will be stated on the rule sheet provided to players that day. Each player will play their own ball into the hole and receive points based on their gross score. The team score for each hole will be the sum of the points earned by each of the players. For example, if Player A earns 2 points, and Player B earns 0 points, the team score for that hole is 2 points.

LOCKHART FLIGHT

	<i>Team</i>	<i>Guest's Club</i>	<i>HDCP</i>
1.	Peyton Cook		+2.2
	Scott Maurer	<i>Bent Tree</i>	+4.0
2.	Jonathan Dyer		+3.2
	Jay Dyer	<i>Brook Hollow</i>	+0.9
